BLUEFIELDS BAY

✦ Country Retreat on the Sea ✦

Fairy-tale dreams of being married by the sea, on the beach, or in a lush and verdant tropical setting can easily become your reality at Bluefields Bay Villas! Our managers and staff happily organize destination weddings that are incredibly-personalized and truly unique for our wedding couples and their guests. From group cocktail parties at these gorgeous seafront villas to gourmet meals where guests can get to know one another better to games, competitions, excursions, spa services, our destination weddings are totally tailored for you and your guests. Please note that most wedding guests must stay on-property for the required rental week in Peak Season or 5-night minimum in Off-Peak Season.

- Our 6 seafront villas have a total of 23 bedrooms that can house up to 46 to 48 guests (if there are 6 children attending who can share 2 larger bedrooms).
- 3 villas are adjacent to one another and directly access the ½ mile long Bluefields Beach. These are Mullion Cove with 5+ brs., The Hermitage with 4 brs., and Cottonwood Cottage with 2 brs.
- 3 other villas are nearby and can provide additional housing or desired separation for guests. They are San Michele with 6 brs., Providence House with 3 brs., Milestone Cottage with 2 brs.
- Our All-Inclusive Package means gourmet meals and open bars are provided for your guests throughout their stay.
- Each villa is fully-staffed with cook, butler, housekeeper, gardener, and night-duty attendant. Seafront attendants offer service on the beach and at the many seaside sitting areas. Nannies are always included for young children, and drivers are available for any desired excursions.
- The wedding fee covers having an officiant meet with you to plan the ceremony, and having him perform the ceremony, process the marriage licenses, and deliver them to you afterwards. The fee also includes having our staff create a floral wedding arch and bouquets/boutonnieres and wedding repast and wedding cake. They will ensure that you have a fantastic celebration!
- Our staff are happy to organize your rehearsal dinner and wedding repast for all guests. Other large gatherings for meals can be arranged with our Guest Services Manager. Those can include beach lunches, buffet lunches at The Treehouse, and group dinners at various villas depending upon your guest numbers.
- On-site spa services are readily available, and we can arrange for hair stylists, photographers, videographers, musicians, and special florists to participate if requested by the wedding couple.
